DIRECTIONS TO OUR OFFICE

The office is located 1 block east of Connecticut Avenue near the corner of Concord Street and Plyers Mill Road. Plyers Mill Road is a few blocks north of Knowles Avenue and is just south of where Connecticut Avenue and University Blvd. merge. To access the building, go east on Plyers Mill Road (right if coming from the Beltway or points south), then make a quick left onto Concord Street. There is plenty of parking in the lot next to the building.

From Virginia: Come around the beltway (Rt. 495) to the Connecticut Avenue exit towards Kensington. Follow Connecticut Avenue going north for about 1-1/2 mile. Make a right at the traffic light at Plyers Mill Road (There are several gas stations and a fire station at the intersection.) Follow directions above.

From Upper Montgomery County: Come down Route 270 South. When the road splits to go towards Maryland or Virginia, go towards Maryland. Exit on Old Georgetown Road before you reach the beltway. After coming off the ramp, turn left (north) onto Old Georgetown Road. Make your first right at the light onto Tuckerman Lane. Turn left when you reach the Rockville Pike (Rt. 355 North). Turn right at the next light at Strathmore Lane. This turns into Knowles Avenue. When you reach Connecticut Avenue, turn left going north, then right at the next light which will be Plyers Mill Road. Follow directions above.
